

CES Alumni Website Homepage

Rutgers–New Brunswick alumni who are more than one year past graduation can continue to access the following services:

- **Handshake**
- **Most workshops and events** (see event details in Handshake)
- **Online tools**
- **Career and Internship Fairs**
- **Other Recruiting Events and Interview Schedules** (based on employer preference)

Career advising appointments are only available to Rutgers–New Brunswick students and alumni who are within one year of graduation. The Rutgers School of Health Professions Counseling Clinic offers free counseling on career exploration, stress, anxiety, and other topics to New Jersey residents. Contact Dr. Aubrey Daniels LPC at counselingclinic@shp.rutgers.edu if interested.

For alumni who are not New Jersey residents, the [National Career Development Association](#) and [Psychology Today](#) websites provide information on career counselors and coaches available throughout the U.S. and internationally.
